ABOUT

Freelance **video editor and motion designer** with six years producing branded content — social-first campaigns, brand films and motion graphics.

I cut in **Premiere Pro** and animate in **After Effects**, with **Rive** for interactive pieces on request. I don't shoot these days, but I can source and brief freelance crews when a job needs a camera.

EXPERIENCE

FREELANCE EDITOR & MOTION DESIGNER

2026 —

Melbourne

- Edit and animate social campaigns, trade event content and pitch videos
- Social-first cutdowns, brand films and motion graphics packages, delivered to spec
- Rive interactive pieces for app and web
- Source and brief freelance crews where a shoot is required

BRANDED CONTENT PRODUCER

2019 — 2026

Nova Entertainment, Melbourne

- Led end-to-end production of multi-platform content for client campaigns, brand partnerships and trade marketing
- Took briefs from concept and ideation through to delivery and amplification across digital, social and mobile
- Built talent-led social campaigns for **Coles**, **Bakers Delight**, **Gippsland Dairy** and **Neds**
- Wrote and edited scripts, and produced visual content for high-stakes client pitches and internal communications
- Managed project lifecycles, budgets and resourcing to tight deadlines while holding brand consistency

VIDEO EDITOR & MOTION GRAPHICS ARTIST

2016 — 2019

Freelance, Melbourne

- Cut and animated commercial, corporate and event work to agency and studio briefs
